Borican Banquet Committee,
101 Montgomery St., Newark, N.J.

Gentlemen:-

Enclosed you will find my check for five dollars (\$5.00) as payment for the four (4) reservations made by phone this afternoon. My guests will be "Hoax" Brown, Arthur C. Moore, and William Harris. I am particularly anxious to have all the folks meet "Hoax" Brown. He has just been chosen for the second successive year as a member of the All-State basketball team as a result of his very fine work as guard on the New Brunswick High School team. He has stood out in track even more than in basketball and all of the local coaches (college as well as high school) expect him to annex a couple of state titles this year and be in the running for the Olympics next year.

I am very glad this little affair is being given for Mr. Borican. He has made an out-standing contribution towards the betterment of inter-racial relations and is my choice for the NO. 1 NEGRO of 1938-39.

Very truly yours,
Gay Howell
